

This is a basic suggested list of items to bring to a one week session of camp. Please use your own judgment regarding quantities and necessities for your camper. We suggest packing items in a Rubbermaid-type tote, which makes it easier for campers to keep their items together. Please make sure you label your camper's luggage/tote/bin for easy identification.

Clearly labeling all items with the camper's first initial and last name will help in finding lost items throughout the week.
