YMCA of Greater Louisville Mission Statement:

The mission of the YMCA of Greater Louisville is to put Christian principles into practice through programs that build a healthy spirit, mind, and body for all. The YMCA is about...

**Youth Development:** Children need caring adults to provide support, guidance, and encouragement as they grow. All children deserve the opportunity to discover who they are and what they can achieve.

**Healthy Living:** Wellness in spirit, mind, and body strengthens our very being and enhances our interactions with others.

**Social Responsibility:** We truly are in this together and together we can harness our individual strengths and bring about positive change around us. The Y is dedicated to building healthy, confident, secure, and connected children, families, and communities.

YMCA Camp Piomingo Program Philosophy:

Since 1938, YMCA Camp Piomingo has been providing inspiring, engaging and educational co-ed camp programs for children ages 6-16. Camp uses a variety of activities to instill core values and life lessons in our future leaders. Through these activities, campers learn the YMCA's core values of caring, honesty, respect, responsibility. Here at camp, we add on a fifth core value of faith, referring to faith in yourself and others. Camp also enables growth in character, confidence, and courage. Leadership development is also a core component of camp, designed to prepare teens for future counselor positions.

ACA Accredited

ACA Accreditation means we follow the health, safety, and program standards put in place by the American Camp Association. ACA collaborated with experts from the American Academy of Pediatrics, The American Red Cross, and other youth service agencies to assure that camp practices reflect up to date research based standards in camp operation.

**Director’s Welcome**

Welcome to YMCA Camp Piomingo! At this time please let me be the first to share how excited we are that your family has chosen to join us this summer for our 2020 camp season! YMCA Camp Piomingo is deeply rooted in traditions, a rustic style cabin life, and is truly committed to creating a magical camp experience for all of our campers and families. We certainly hope throughout your camper’s stay with us this summer they will learn to challenge their comfort zones, tap into their creativity, seek independence, and, most importantly, role model our core values of caring, honesty, respect, responsibility, and faith. Our amazing staff are here to make everyone feel right at home, which is exactly what Piomingo will become for so many, if it has not already become home to you and your family. Summer overnight camp is an experience all children should get to experience and we thank you again for allowing us here at YMCA Camp Piomingo to be the ones to provide this experience for your camper. As you join us this summer and take the initial drive through the cedar trees in Otter Creek, we hope you feel the warmth and welcome from our home to yours! We look forward to meeting or reconnecting with so many of our families and campers – if you should ever need anything, please do not hesitate to reach out.

Noonway,

Bridget Anderson  
Executive Director

### Camper Paperwork

The following must be completed and submitted before your camper's arrival at camp. These forms need to be completed online or over the phone with a Piomingo staff member.

1. Registration: All campers should be registered via Camp Brain, our online registration system
2. Camper Forms: Can be found by logging in to your Camp Brain account and include: t-shirt size form, camp attendance form, policy & procedure form, and medical form.
3. Any Final Payments: Received by June 1<sup>st</sup>, unless you have registered after this date, in which case it is due before their arrival.

### Preparing to Be Away from Home

Being away from home can be a challenge for first time, or even experienced, campers. Homesickness is common at overnight camp. Our policy on homesickness is that counselors will work individually with campers to work through their homesickness. The most common time for homesickness is right before bed or during rest hour. Counselors will call home if the homesickness is severe and they need some additional support. We rarely have campers call home or talk to their parents on the phone because it typically makes the homesickness worse. Each camper's homesickness is unique and the counselors are trained to help each camper make an independent plan for a successful and fun week. If it appears that the camper is not doing well adjusting to their time here at camp, the Program Director may determine to have the camper sent home after discussions with the parents. Please know if a camper is sent home due to homesickness a refund will be at the discretion of the camp administrative team.

### Cabin Requests

**Please note camp can ONLY guarantee 1 cabin mate request per camper.** Campers should request their cabin mates by emailing the office: [piomingo@ymcacamppiomingo.org](mailto:piomingo@ymcacamppiomingo.org). Please make sure both campers request each other. We will need email requests from both parties and a confirmation email will be sent by the camp office once the request is processed. We do remind our families that camp is about meeting new friends and learning to live in community with others. *Cabin mate requests are often met but cannot be guaranteed.*

### Changes and Cancellations

If you are registered for camp and need to change weeks/sessions or cancel altogether, please call the office. Please note that your deposit is non-refundable and any additional payments may or may not be refunded.

### Absences

We are concerned when your camper is registered, but does not show up for check-in. If you are not able to inform us prior to Sunday check-in, please call the Camp Office at 502-942-2616 or the Executive Director at 502-639-3522 on Sunday and leave a message if your camper will be late or not able to attend. Please be specific, stating your camper's full name and the reason they will not be attending. If necessary, our office staff will return your call to confirm the details.

### Care Packages, Letters, and Email

Parents, friends and family are encouraged to write letters to their campers to help them feel more comfortable while at camp. It is a good idea to send letters in advance to camp so they are here on the first day. Parents can even bring letters and packages to drop off during check in on Sundays. We do ask

that if a care package is sent, please be mindful of our cabin sizes as well as food allergies and do not send anything containing nuts or peanut butter.

Please mail camper letters and packages to:

YMCA Camp Piomingo  
Camper's Name  
Camper's Cabin # /Unit  
1950 Otter Creek Park Road  
Brandenburg, KY 40108

Camp does offer a one-way email form on the homepage of our website. Emails that arrive before 5:00pm will be printed and handed out, unless there are technology issues in the office, which will be shared via social media or a personal email from camp administration. Please note that your camper will not be able to email you back.

Please note that Tuesday night is cookout night, which means we are not always able to deliver mail Tuesday evening. We always do our best to deliver mail the day it arrives, but depending on the mail delivery, we may push it back to the next day.

#### Telephone

Campers do not have phone access during their stay at camp. Campers may not bring cell phones to camp. If a camper brings a cell phone and it is seen by a camp staff, it will be confiscated and stored in the office and returned to the parent at checkout. A YMCA Camp Piomingo staff member will contact you in the event of an emergency or other situation. Please know that in the event of an emergency, parents can call the camp office to make arrangements to speak to their camper. Please help us get back to the root of camping by respecting our no cell phone policy.

This is a basic suggested list of items to bring to a one week session of camp. Please use your own judgment regarding quantities and necessities for your camper. We suggest packing items in a Rubbermaid-type tote, which makes it easier for campers to keep their items together. Please make sure you label your camper's luggage/tote/bin for easy identification.

Clearly labeling all items with the camper's first initial and last name will help in finding lost items throughout the week.

Campers will not be able to return to the cabin until at least 24 hours and after they have been checked and cleared by the camp nurse.

### Camp Hygiene Standards

Cleanliness is a key component to keeping campers healthy. Campers will be encouraged to wash their hands prior to every meal. Bathrooms are inspected and sanitized each day. Camp clean up takes place each morning when campers assume the responsibility of cleaning their cabin areas. Campers go to the bathhouse each morning and evening to brush their teeth. Showers are scheduled on a cabin basis.

### Discipline:

The YMCA staff have been trained to deal with inappropriate behavior in a constructive, safe and non-degrading fashion. Campers will be held responsible for their actions in a positive manner. Our policy when disciplining is a three step process:

1. Verbal warning
2. A conference with their counselor and unit leader
3. Phone call home

A camper will immediately be sent home for incidences concerning violence or threats of violence. YMCA Camp Piomingo reserves the right to send a camper home at the parent's expense, if the camper's behavior consistently takes away from the experience of others or endangers the safety of him/her or others. Parents are responsible for transporting campers from camp, and are expected to respond in a timely fashion.

### Bullying / Zero Tolerance Policy:

YMCA Camp Piomingo has a zero tolerance regarding bullying. Any type of bullying that occurs at camp (physical, verbal, social, or otherwise) is quickly addressed and results in a discussion with the counselor. If any camper chooses to tease or physically confront another camper with the intent to cause harm or take away from another camper's experience, the camper will be sent home from camp at the discretion of the camp leadership team. Refunds will not be awarded to camp families for campers sent home for discipline reasons. Parents are responsible for transporting campers from camp, and are expected to respond in a timely fashion. Please take the time to discuss bullying and camp's policies with your child prior to camp.

Frontiers (ages 6-7)

The Frontier program is an excellent introduction to overnight camp for your 6 - 7 year old. With patient and caring counselors who understand the needs of younger children, your camper will experience all the fun of a week of camp in half the time. Frontiers will spend their half week living in either Mingo (Boys) or Shawnee (Girls) in cabins with screen windows. Bathrooms and showers are located in a separate building.

Pioneers (ages 7-12)

The Pioneer program is a traditional one-week camp experience for campers aged 8-12 years old. The Pioneer program allows the campers to have input on their clinic options in the morning and participate in a mix of structured group activities with their cabin in the afternoon. Pioneers will spend their week living in either Mingo (Boys) or Shawnee (Girls) in cabins with screen windows. Bathrooms and showers are located in a separate building.

Explorers (ages 10-13)

The Explorer Program is a two week program for campers ages 10-13. Explorer campers have input on their clinic options in the morning and participate in a mix of structured group activities with their cabin in the afternoon. The first week is spent exploring the traditional camp activities and spending the weekend challenging each other and growing as a team. The second week is spent kicking activities up a notch, while also experiencing new activities. Explorers will spend their two weeks living in Cherokee in cabins with screen windows. Bathrooms and showers are located in a separate building.

Equestrians (ages 10-16)

The Equestrian program is offered in one week sessions for ages 10-15 and two week sessions for ages 11-16. Our Equestrian program is open to new and beginning riders who will get to learn the basics of horse care and stable management through daily ground lessons. Riders then get placed in group lessons with campers of similar abilities. Each rider is assigned his/her own horse and given daily mounted instruction on the basics of riding, including (but not limited to) basic control at the walk, trot and canter. The course also covers an introduction to jumping and trail riding. In addition to riding and lessons, Equestrian campers also participate in traditional camp activities with campers from the other programs. Equestrians will spend their time living in Cherokee in cabins with screen windows. Bathrooms and showers are located in a separate building.

Camp Crafters (ages 13-16)

The Camp Crafter program is designed for 13-15 year olds and is offered as one and two week sessions. Campers have the opportunity to take part in intermediate-level activities that emphasize group problem solving and teamwork, and will be encouraged and challenged to develop their leadership skills. Camp Crafters will spend their time living in Creek in cabins with screen windows. Bathrooms and showers are located in a separate building.

Counselor in Training (age 16)

The Counselor in Training program (C.I.T.) is for 16 year old campers who wish to eventually become a camp counselor at YMCA Camp Piomingo. A C.I.T. spends three weeks at camp developing leadership skills and gaining experience as a camp leader. Through the C.I.T. program, your teen will identify and achieve goals, improve communication and decision-making skills, and contribute to the overall improvement of camp. C.I.T.s will spend the majority of their session living in Creek in cabins with screen windows. Bathrooms and showers are located in a separate building.
